Post Secondary funding from Indian and Northern Affairs, Canada has been capped for a number of years. To ensure equity and fairness in assisting students, the Chippewas of Georgina Island First Nation is asking for students' cooperation by providing specific pieces of information including:

An Individual Education Plan completed with the following:

1. A brief outline of the proposed program being considered.
2. Why you are interested in the program.
3. A list of the various institutions, which offer the program.
4. A rationale for attending the institution of choice and the length of time for completion of the program.
5. An indication of employment opportunities that will become available and what the future employment outlook maybe in that particular employment field.
6. How your education will benefit the Chippewas of Georgina Island First Nation or Aboriginal people in general.
7. The research steps that were taken to obtain this information.

Continuing students will revise their Individual Education Plan annually indicating any changes, if any, and provide an outline of the academic standing achieved. Attach the IEP to the application for continued funding along with a transcript of marks.

Specifically on entering the final year of study, if any expectation of entering the next level of study i.e. from the undergraduate to graduate level or to the PhD level or a college post diploma program, it is to be highlighted on the IEP.

For students wishing to study at a college or a university after completing their first program must apply for continued funding and indicate on the Plan a strong rationale referencing their academic standing. Please note that the approval is based on the availability of funds.

Any changes during the academic year, must be discussed with the Education Manager as soon as possible.

Should you have any questions regarding your Individual Education Plan contact the Education Manager or Aboriginal Student Advisor at 705-437-1337
