# PUBLIC NOTICE

We have received the test results of the deceased Barred Owl found at Sandy Beach, August 21, 2013. The bird has tested positive for West Nile Virus. Although, G.I.F.N has had four mosquito testing pools set up since June 2013, none of the four have tested positive. Please read the personal protective measures information sheets.

For any further questions please contact  
Kerry-Ann Charles  
Environmental Coordinator
